

**A Repetition of Last Year's Crushing  
Defeat of Central Fayette Rooter  
Struck a Player. For Which  
He was Arrested and Fined.  
Free-for-all  
Narrowly  
Averted.**

The Central College team is getting in good shape and will play a star game till the end of the season," were the words of a Fayette paper in commenting upon the treatment inflicted upon the home doctors. But these giants, meanwhile, have fallen low and the "starry" course of victories, Central was supposed to have entered upon, has ended in a thud, that doubtless brought stars, the very ones that were to shine upon their victories, to say nothing of their defeats, fully before the eyes of those players who are always "going to do so much," and just about as frequently fail to accomplish anything.

Recollections of the past Thanksgiving and the treatment accorded a Marshall crowd in Fayette at that time, nerved the home team to its best effort, which was attended by easy success.

The game was played at Sportsman's Park before a fifty dollar crowd, including several Fayette rooters. Fayette won the toss and chose the west goal. Marshall, soon after the kick-off, had the ball on downs, and Daves went around the right end for 30 yards; but was brought back by the referee. This started the wrangle, which at this juncture threatened to break up the game. Central secured the ball on downs, attempted to punt, but was blocked and ball carried across the goal line just 4 minutes after the kick-off. Clemens kicked goal. On the next kick-off Central braced up and Feroi made a 40-yard run across Marshall's goal line, and Tolson added a point by kicking goal. Gore soon after scored another touchdown, but Clemens failed on goal. Adams made another touchdown and Clemens kicked goal. Just at this point slugging began between the members of the two teams, brought about by Central's effort at stealing the ball. Several fist blows had been exchanged, when Lewis Tolson, an outsider, struck Daves over the head with a crook from behind. The crowd was infuriated, and would have made short

of it had it not been for several citizens.

or and tried for assault and battery. The first half was nearly up when the game was finally allowed to proceed. Gore, however, by a 40-yard run, made another touchdown. Clemens failed at goal. Score at end of first half, 22 to 5 in favor of Marshall.

In the second half, Adams, the star player of the game, who never failed to make long gains through Central's center, made two of the four touchdowns.

Daves made the third, and McDavie scored the 4th, after a 60-yard run.

An attempt will be made to pull off another game in some out-of-town, so great has become the enmity of the two teams and towns, that a game in either would not be without interference from "rooters."

Tucker, Page, Gore and Adams played their positions well and as Marshall had possession of the ball nearly all the time, these backs and ends had many chances, and accepted them for good end runs and line backs. The halves played well 25 and 20 minutes.

Marshall has scored 118 points against 17 in her games of the season, thus:

Fayette No.	Position.	Marshall No.	Position.

**An Enterprising Firm.**

The Hub Clothing firm which has lately located in Marshall and is at present occupying the Larkin store building on the South side of square, have staked their judgment upon Marshall being a good trade town and their method of doing business is certain to realize the expectations of the owners. They are liberal advertisers, good window decorators, have efficient and accommodating salesmen, some of the requisites to a successful mercantile business. Their up-to-date methods as well as goods and the close prices they are placing upon what they buy for sale, has started them with a good business.

**A NEW PASTOR IS CALLED.**

The Rev. William R. Dobyns of Marshall, Mo., has been called by the congregation of the First Presbyterian Church of this city, and it is hoped that he will accept the summons. The call was issued at a meeting of the congregation last night held for that purpose, and was unanimous. There was no other pastor considered for the place.

A commission composed of W. W. Wheeler, K. M. Mitchell and Louis Huggins was appointed last night to prosecute the call, and Mr. Mitchell said to day that it will be prosecuted with all possible speed, as it is desired to install the new pastor in the pulpit as soon as possible. A telegram was sent to the Mr. Dobyns last night informing him of the action of the congregation here.

The pastor called to the pulpit of the First Presbyterian Church in this city is very well known in St. Joseph, and was a close friend of the beloved pastor of that church, the late Rev. George A. Trenholm. Several of the members of the church said to-day, that they were satisfied the selection would have met with the approval of the late pastor, had he known before his death that Mr. Dobyns was to be called.

During the time Mr. Trenholm was pastor of the church, Mr. Dobyns came here and assisted him in a revival service. He made a good impression at that time, and it has never been forgotten.

The new pastor is a young man of great energy, and the members of the church here feel that he is just such a man as is needed. He was born in Johnson county in 1891, and is therefore thirty-eight years old. His father died when he was young, and he was reared by the Rev. J. Barbee, now the pastor of a church at Excelsior Springs. The Reverend Mr. Barbee is widely known over the State, and by many people in this city.

It was while he was in the home of this well known pastor that the young man who has been called to the church here, decided to enter the ministry. He completed the course at Westminster College, Fulton, and then attended the McCormick Theological Seminary at Chicago. He has been pastor of the church at Marshall eight years and

before being called to that place was engaged in missionary work in Chicago, where a church was built as a result of his efforts.

"He is a hale, hearty, healthy young man, and is deeply interested in his work," said a member of the church to-day, "and we expect him to succeed here."—St. Joseph News.
